Excelitas to Showcase Biomedical Illumination Systems at Experimental Biology

WHO: [Excelitas Technologies® Corp.](#), a global technology leader delivering innovative, customized photonic solutions, will showcase its new illumination systems for biomedical applications at [Experimental Biology](#) in San Diego, CA.

WHAT: Products on display at Excelitas' Booth 1008 include:

- [X-Cite® TURBO with LaserLED Hybrid Drive™](#): A solid-state illuminator for fluorescence excitation applications, X-Cite TURBO features six individually controllable wavelengths covering the UV and visible spectrum. X-Cite TURBO's patented LaserLED Hybrid Drive combines LED and Laser Phosphor Illumination to efficiently generate powerful multi-wavelength solid-state light output in a compact form factor. It also provides researchers with the flexibility to add additional fluorophores for live or fixed cell imaging.
- [X-Cite 120LEDmini](#): X-Cite 120LED*mini* is a compact and simple to use white-light LED light source for fluorescence imaging applications. Through direct coupling, X-Cite 120LED*mini* delivers superior LED illumination and exceptional field uniformity at the specimen level with the broadest spectrum of fluorescence excitation for routinely used fluorophores. Its LEDs are guaranteed for 20,000 hours, making X-Cite 120LED*mini* virtually maintenance-free with no lamp or light guide components to replace.

WHEN: April 22 – 24, 2018

WHERE: [San Diego Convention Center](#), San Diego, CA. Booth 1008.

###

About Excelitas Technologies

Excelitas Technologies Corp. is a global technology leader focused on delivering innovative, high-performance, market-driven photonic solutions to meet the lighting, detection and optical technology needs of global customers. From biomedical technology to research laboratory, safety and security, consumer products, semiconductor, energy and environment, industrial sensing & imaging, defense and aerospace, Excelitas Technologies is committed to enabling our customers' success in their end-markets. Excelitas Technologies acquired Qioptiq in 2013 and now has approximately 6,000 employees in North America, Europe and Asia, serving customers across the world. Connect with Excelitas on [Facebook](#), [LinkedIn](#) and [Twitter](#).

Excelitas® and X-Cite® are registered trademarks, and LaserLED Hybrid Drive™ is a trademark of Excelitas Technologies Corp. All other products and services are either trademarks or

registered trademarks of their respective owners.
